## Do you have experience working with gifted individuals? Do you typically work with children, teens, adults, and/or families?

Philip Dunbar-Mayer, Psy.D. is a licensed clinical psychologist who holds a doctorate in clinical psychology from the American School of Professional Psychology. He has over 15 years of experience working with children/adolescents/young adults and their families.

## Do you have a specialty or preferred area of expertise? Do you have additional certifications or training that may be of interest to families with gifted children?

Areas of specialization include providing comprehensive neuropsychological evaluations for individuals between the ages of 2 to 25 years of age. Areas of expertise include the evaluation of children/adolescents suspected of having Autism, AD/HD, executive functioning vulnerabilities, learning disabilities, nonverbal learning disability, Down Syndrome, traumatic head injury, gifted children/ Twice Exceptional Students, emotional/psychiatric disorders, medically complex children, and intellectual disability. Dr. Dunbar-Mayer also has expertise in evaluating and diagnosing young children (two-years or older) suspected of having an Autism Spectrum Disorder. Dr. Dunbar-Mayer believes in working closely with families and others involved in the child/adolescent's life to ensure appropriate treatment and follow-through.

**Have you worked with twice-exceptional children/teens and their families?**

Dr. Dunbar-Mayer has worked extensively with twice-exceptional students and is families with all the local gifted school in our area.

**Briefly state how your understanding of the needs of gifted/2e individuals and families inform your approach?**

**Please list any professional organizations in which you are affiliated.**

International Neuropsychological Society  
American Psychological Association  
Advisory Board Member for Northwest Behavioral Associates

**About NWGCA**

The Northwest Gifted Child Association (NWGCA) is a support and advocacy organization for parents of gifted children. Organized in 1963, NWGCA provides support and information to parents of gifted children. It continues to help parents enhance and hone their parenting skills and gives them tools to speak out for an appropriate gifted education and deal with this learning difference we call giftedness. NWGCA works with individual families, talking with them by phone and through emails, providing appropriate referrals and resources through our website. Thank you for completing this application form and for supporting the gifted and talented families of Washington State. Please email completed form to [providers@nwgca.org](mailto:providers@nwgca.org).
