About NWGCA

The Northwest Gifted Child Association (NWGCA) is a support and advocacy organization for parents of gifted children. Organized in 1963, NWGCA provides support and information to parents of gifted children. It continues to help parents enhance and hone their parenting skills and gives them tools to speak out for an appropriate gifted education and deal with this learning difference we call giftedness. NWGCA works with individual families, talking with them by phone and through emails, providing appropriate referrals and resources through our website. Thank you for completing this application form and for supporting the gifted and talented families of Washington State. Please email completed form to providers@nwgca.org.
